### **Grangestock Festival Will Spoof Woodstock And Hippie Generation**

ORANGEVALE, CALIFORNIA, June 22, 2009 --- In the summer of 1969, five hundred thousand young people converged on a dairy farm in rural New York for "three days of peace and music". "Woodstock" defined a generation.

In celebration of the 40th anniversary, **Grangestock** will be presented July 11, an outdoor festival of fun, food & music at the **Orangevale Grange's** beautiful natural amphitheatre.

**Grangestock** will begin at 11:00am and feature more than a dozen "far out" bands and entertainers from across the state, providing music and laughs for a day-long spoof of Woodstock and an era that brought us hippies, hot pants & Hubert Humphrey. The festivities will last until "*whenever, man*", ending by 10:00pm. A \$10.00 donation per adult will be accepted at the event.

A list of musical acts scheduled to play throughout the day includes: **The Grangeful Dead, William Mylar, The Accoustic Tiles, Kyleen Cornell, Mary's Daughter, The Radios, Leftovers, Karma Addicts, O Street Jumps, Ghosts of Electricity, Tarlesson African Dance Ensemble, Derek Suhar, and **The Capay Valley Chorus.****

**Grangestock's** motto is "***Let Your Freak Flag Fly!***" In homage to the flower children of the sixties, attendees are encouraged to wear tie-dye shirts, let down their hair and start-up the old Volkswagen bus. Prizes will be awarded for the best-dressed hippies, best Joe Cocker and Janis Joplin karaoke impersonators, and an "**I Am Not A Crook**" trivia quiz.

**Grangestock** is "groovy" for families, too. Planned activities include Zodiac Readings, a Hippie Parade, and "cool" vendors. "**Alice's Restaurant**" will

feature delicious healthy snacks as well as more traditional hot dogs, hamburgers, and cold drinks.

It's all in fun and for a good cause. Donations paid at the event will benefit **Sacramento County Grange** programs, including **G.R.E.A.T.** (Grange Relief Emergency Action Team), a program providing emergency assistance to victims of natural disasters. **G.R.E.A.T.** was started after five Grange families lost their homes last summer in Northern California wildfires.

**Grangestock** will take place July 11 beginning at 11:00am at the **Orangevale Grange's** beautiful natural amphitheatre located at 5807 Walnut Avenue. A \$10.00 donation per adult will be accepted at the event. For more information visit [www.grangestock.com](http://www.grangestock.com) or phone (916) 768-9800.
